EMI created the MEPP in 1999 as a non-resident program to recognize those individuals who have completed prescribed training and demonstrated, through hands-on application, a high degree of professionalism and capability in the arena of emergency management exercises. In 2004, EMI began offering this title certificate program in a resident series of courses at NETC in Emmitsburg, Maryland, to meet the needs of the post EM exercise community.

**MEPP Applicant Categories for the Resident Option (EMI courses taught in residence at NETC or other training locations)**

- Category 1: Local, State, Tribal Nation, and trust territories (eligible for EMI student stipend reimbursement and no charge lodging)
- Category 2: Department of Homeland Security organizations and agencies (e.g., Federal Emergency Management Agency (FEMA), Transportation Security Administration (TSA), United States Coast Guard (USCG))
- Category 3: Other Federal agencies (e.g., Department of Defense (DoD), Center for Disease Control (CDC), Health and Human Services (HHS), United States Department of Agriculture (USDA))
- Category 4: Private industry
- Category 5: International/foreign students
